ANTICIPATED ASBESTOS REMOVAL PROJECTS FOR NEXT QUARTER: We anticipate the usual small scale jobs that come up when contractors encounter PACMs/ACMs and need support in abating the area they plan to impact. We also anticipate typical tears and damage to ACMs that require our cleanup and/or abatement.

I do hereby certify that the information contained in this Quarterly Report and supplemental data described herein is to the best of my knowledge, accurate and complete.			Agency Use Only
